Alison Percy, *Aqueduct Trail, Falls Creek*. Acrylic on linen, 152.4 x 121.9cm. Framed \$3,900

It's hard not to fall in love with **Alison Percy's** vibrant abstract interpretation of Falls Creek!

Alison's latest series captures the Australian landscape exposed to the elements in a rapidly changing environment. Layering intuitive fluid linework, she responds to the Victorian Kiewa Valley, the nearby Alpine regions and across the Bogong High Plains. Catch the series at fortyfivedownstairs gallery in Melbourne from 22 May to 2 June!
