

Alison Percy is our feature artist this #MembersMonday! Alison Percy is a visual artist and designer living near the Murray River in Albury.

Alison's passion for life drawing inspires endless exploration into the nuances of the human figure and the development of techniques and use of media. She recently presented her fourth solo exhibition 'RECENT WORKS ...further explorations of the land and the figure' at GIGS Art Gallery. Her work reflects a continued fascination in the balance and sensitivity of fluid line – painting from the live model in the studio and most recently out in the landscape en plein air.
